## The Revival Services

Evangelist William J. Cozens of  
Newton Highlands, Mass., began a  
series of evangelistic services in the  
Cong'l and Methodist churches in this  
place last Sunday. During this week  
the services will all be held in the  
Cong'l church and began with a union  
service Sunday morning at which  
time Mr. Cozens delivered a strong  
sermon, being assisted in the service  
by Revs. P. A. Smith and C. C. St.  
Clare, music being furnished by the  
Cong'l quartet choir, with Miss Watts  
at the organ. The church was well  
filled at the service. A service was  
held at 3:30 p. m., which was well at-  
tended. In the evening Mr. Cozens  
again addressed a good sized audience.  
The services during the week are  
held at the Cong'l church every after-  
noon at 3:30 and evenings at 7:30.  
Thursday and Friday evenings,  
weather permitting, praise services  
will be held in Academy Park from  
7:15 to 7:45, with short addresses  
by the evangelist, followed by ser-  
vices in the church. Next Sunday  
and during the following week ser-  
vices will be held at the Methodist  
church. Mr. Cozens is a highly inter-  
esting speaker, and by his refined and  
pleasant manner, together with his  
power as a preacher, has made a  
very favorable impression upon many  
who have heard him.

cided to hold five summer schools in

## Death of Mrs. Eliza Place Green

Mrs. Eliza Place, widow of the late  
Benjamin Green, died at the home of  
her son, M. J. Green, in Barre Mon-  
day, after an illness of several months  
duration, death being due to general  
debility. The deceased was 67 years  
of age. The remains were brought  
here to-day, via Stowe and short fu-  
neral services were held at the home  
of Mrs. H. W. Smith on Lower Main  
street, the latter being a sister of the  
deceased. Rev. P. A. Smith of the M.  
E. church officiated and interment  
was in Pleasant View Cemetery, be-  
side her husband, whose death occur-  
ed only a few months ago. Among  
those from out of town to attend the  
funeral were Mrs. Aggie Porter of  
Burlington, a sister of the deceased,  
Mrs. All-n Place of Hardwick, a sis-  
ter-in-law, and J. M. Green and Mrs.  
W. W. Cate, of Barre, children of the  
deceased.

## An Old-Time Clerkship

Daniel C. Spaulding finished work  
last night as clerk for E. W. Gates  
and will take an extended vacation  
and rest. The completion of Mr.  
Spaulding's engagement with Mr.  
Gates rounds out a clerkship which  
doubtless exceeds that of any other  
in the county and probably in the  
state, the time which he has served  
in that capacity in Morrisville being  
about 31 years. In 1871 he began  
his clerkship in the store of C. R. Page  
and John Utton, at the stand now  
occupied by C. B. Vincent on Port-  
land street. He next worked for E.  
B. Merriam in the building now oc-  
cupied by the Messenger office, leav-  
ing there to accept a position with  
S. H. Tift, which he kept for twelve  
years. Later he returned to the Mer-  
riam store where he was employed  
by George Mears, who sold to Geo.  
W. Currier and for the latter firm he  
was a valued employe for 9½ years,  
having charge of the business during  
two winters, in the absence of Mr.  
Currier. During Cleveland's admin-  
istration he was appointed Postmas-  
ter for Morrisville, a position which  
he filled very acceptably for four  
years. He began work six years ago  
for C. J. Slayton, who sold out to Mr.  
Gates. It is reasonable to suppose  
that Mr. Spaulding understands the  
trade in this county, where during  
his three decades of service as "the  
man behind" the counter he has  
made a host of friends who will miss  
their visits with "Dan," which has  
been an incident in the trip of many  
to the "Metropolis" during the past  
30 years. It is understood that Mr.  
Spaulding will continue in the busi-  
ness, after taking a much needed  
rest.

## Church Conference

The conference of Cong'l churches  
at North Hyde Park last Thursday  
was well attended. An interesting  
program, as published in our last  
issue, was carried out. A motion was  
made that the Missionary committee  
be authorized to look into the mat-  
ter of the support of a missionary in  
the foreign field, such support to be  
assumed by the Cong'l churches of La-  
moille county. The people of North  
Hyde Park very hospitably enter-  
tained the delegates.

Following are the officers elected  
for the ensuing year:—Moderator,  
Rev. J. K. Fuller, Johnson; Scribe,  
Rev. C. C. Clare, Morrisville;  
Treasurer, Dea. Jas. Holmes, John-  
son; Missionary Committee, H. M.  
Perkins, Wolcott, C. P. Jones, John-  
son, Miss Elsie Partridge, Eden;  
Committee on Benevolences, H. C.  
Howard, Jeffersonville, H. P. Mun-  
son, Morrisville, Rev. Van Haagen,  
Cambridge; Committee on overtures  
and place of meeting, Rev. C. C. St.  
Clare, Morrisville, L. H. Lewis, Hyde  
Park, F. S. Hazard, No. Hyde Park.

Spunky Lamoille Tonic will be  
served free at Wadleigh's drug store  
on Friday, June 9. See ad in this  
issue.

## NEW ELECTRIC ENTERPRISE

New Plant Installed at H. A. Slayton &  
Co's Store

The old grist mill, which was pur-  
chased by H. A. Slayton & Co. of Mr.  
Safford some five years ago, which  
could hardly earn enough to pay its  
running expenses, has been put in  
first-class repair and joined to the  
flour and feed business formerly run  
by this concern. The merchant mil-  
ling has grown so as to bring about  
another important change.

The managers of this business found  
it was next to impossible to run their  
business with so much hauling as  
they would now have to do to convey  
their corn to the mill and the prod-  
uct back to the ear. This necessity  
has brought about what may con-  
tribute to the enlargement of indus-  
tries of our town. Several times in  
the past, manufacturers have sought  
Morrisville, if they could get a con-  
venient power and the time has now  
come when there is electric power for  
sale for anyone who wishes to use it.

H. A. Slayton & Co. have installed  
at their mill a 108 K. W. generator,  
and have strung wires to their store  
installing there a 40 horse power in-  
ductor type motor, both of the Stan-  
ley Electric Co. make, and have  
moved their machinery for merchant  
milling to the store, so that in the  
future all merchant milling will be  
done at the store. All custom grind-  
ing will be done at the mill, as usual.  
This leaves available 50 to 75 horse  
power, possibly 100, for sale, in case  
anyone should wish it.

The business of the above concern  
has been done so quietly that very  
few understand how busy it is down  
at the "wrong end of Portland St."  
There has been no time during the  
history of their business that they  
have done so much as in the past  
year.

They have added from time to time  
to their storage capacity and yet at  
the present time they have hardly  
more than half of the area that they  
could conveniently use. The electric  
machinery that they have installed  
is very satisfactory, running very  
smoothly and seeming to do the  
work with ease. This job was con-  
ducted by Peter Liberty and is con-  
sidered as good a job as this concern  
has ever done. A call at the feed  
store near the depot will give anyone  
interested a clearer idea of what the  
enterprise really means and the re-  
porter is informed that visitors are  
very welcome and will gladly be  
shown the new works.

## Clark-Atwood

On the first day of June 1905, oc-  
curred the marriage of Miss Blanche  
May Atwood, daughter of Mrs. Mary  
Atwood of Stowe to George W. Clark  
of Morrisville. The ceremony was  
performed at the home of the bride's  
mother on Sunset street by the Rev.  
V. M. Hardy of Morrisville. The par-  
lor was decorated with ferns, potted  
plants and blooming shrubs and the  
couple stood under a lace-draped  
canopy of flowers during the cere-  
mony. A wedding march was played  
by Miss Mary Watts of Morrisville.  
The Misses Marian and Margaret  
Pike acted as flower girls and little  
Miss Muriel Pike was ring bearer. The  
ring ceremony was used, Mrs. At-  
wood flying away the bride.

The bride wore a most becoming  
gown of white laces over white  
silk with lace yoke and carried bride  
roses. The bride's relatives and  
friends were present to the number of  
20, among them being Mr. and Mrs.  
P. D. Pike, Mrs. S. T. Fuller, Mrs.  
Emmie Pottle and Mr. and Mrs. A.  
Pike of Stowe and Mrs. V. M. Hardy  
and Miss Watts of Morrisville. After  
the ceremony the company repaired  
to the dining room where cake and  
ice cream were served, the table being  
decorated with ferns and carnations.  
At 4 p. m. Mr. and Mrs. Clark left  
Stowe for Hyde Park, where they  
took the train for a trip of two or  
three weeks to New York and other  
places. They will be at home to their  
friends after August 1, in rooms in  
Dr. Robinson's residence on Congress  
street.

The bride is one of Stowe's most  
popular young ladies and has been a  
teacher in the public schools there for  
several years, being a graduate of the  
Johnson Normal School and also of  
Albany Business College. She is a  
daughter of the late Stephen Atwood,  
who was for many years prominent  
in the affairs of that town.

The groom is well-known as one of  
Lamoille county's most prosperous  
business men and both parties have  
a host of friends in the county who  
extend congratulations and best  
wishes.

## Harlow-Stowell

Announcement is made of the mar-  
riage of Levi A. Harlow, son of  
George Harlow of Stowe and Miss

ing performed by Rev. O. M. Boutwell  
in Hyde Park last Thursday. Mr.  
and Mrs. Harlow will reside in El-  
more, where Mr. Harlow is employed  
by the Stowe Lumber Company.

Thirteen hundred and fifty books  
were taken from the Morrisville Cen-  
tennial Library during the months  
of April and May.

ing the game by a score of 17 to 5.  
Several thrilling points were made.

Lewis Whittemore, who is visiting  
at Westbury, is very sick. His  
step-son, John Oviatt, visited him last  
week and found his condition very  
serious.

Reuben Jackson has finished work  
in the steam mill and will move to  
Greenfield, where he has employment.  
Bernard Maxfield takes his place at  
the mill.

Wallace Spaulding has commenced  
repairs upon his Corner Block. The  
repairs will be very extensive and  
when completed the stores therein  
will be modern in every respect.

Noyes Stevens gave a party to his  
little friends last Saturday afternoon  
the day being his 6th birthday an-  
niversary. The children were very  
happy and went home wishing birth-  
days came oftener.

Children's Day is to be observed at  
the Cong'l church next Sunday morn-  
ing. Rev. Dr. Hardy will address the  
children, giving an illustrated sermon

Mrs. Chas. H. Beers of Hoxie, Kan-  
sas, spent a few days here recently in  
looking up her ancestors. She is a  
descendant of the McKinsters and a  
daughter of Chas. Jewett, Jr., who is  
buried at the Center cemetery. Mrs.  
Beers was born in this town, but had  
not been here in forty years. She  
found many of her parents' old-time  
acquaintances and a few relatives.  
She was delighted with the place and  
intends to visit here again.

The license at the Phoenix expired  
at 11 o'clock last evening and now  
this town is emphatically a "dry"  
town. The room used as a bar-room  
is to be converted into a writing and  
card room. During the year that  
there has been a license at the hotel  
everything has been conducted de-  
cently and in order. There have been  
no drunken rows or any manifesta-  
tions whatever of disorder; in fact  
guests at the house have said fre-  
quently that they saw nothing out of  
the way in connection with the bar.
